## PRE-CON WORKSHOP ANNOUNCEMENT

### PDMA 101: Live it, Love It, Be It

The Sharing Alliance is delighted that expert speaker and PDMA authority, Alan Minsk, will be joining us again to lead the PDMA discussion. Alan is Sharing Alliance Legal Counsel and also partner at Arnall Golden Gregory LLP, the leader of their Food & Drug practice team, and co-chair of their Life Sciences industry team.

In his lively workshop presentation that is considerably more than a 101, Alan will offer a realistic look at the PDMA today. Conversation will include interesting issues that arise when applying the law and maximizing compliance.

This is a don't miss learning session, even if you think you're already living everything PDMA!

**Pre-con workshops are offered to all registered conference attendees at no additional charge. So be in San Diego on Sunday, April 30, and don't miss this fun and informative pre-conference discussion on the topic that started the Sharing Conference legacy.**
